1. Name

UN/CEFACT TBG 5 Finance

2. Objectives

2.1 Objectives

TBG 5 is a permanent Group of UN/CEFACT TBG (International Trade & Business Procedures Group) with the objective to support the development of trade facilitation and electronic business solutions for Banking and Finance. TBG 5 activities are within the mission and objectives of UN/CEFACT TBG, see UN/CEFACT/TBG/N004, 13 March , 2003.

The purpose of the International Trade & Business Processes Group (TBG) is to be responsible for the simplification of international trade procedures, business and governmental process analysis, and best practices, using the UN/CEFACT Modelling Methodology where appropriate to support the development of trade facilitation and electronic business solutions¹.

The purpose of the International Trade & Business Processes Group-Finance (TBG 5), is to be responsible within the banking and financial area, for the simplification of international trade procedures, business and governmental process analysis, and best practices.

Examples of TBG 5 activities:

- a) develop and maintain electronic financial information exchange standards
- b) achieve convergence with other electronic financial information exchange initiatives
- c) encourage the active participation in the work of all interested parties in accordance with the TBG 5 group's membership criteria
- d) promote the global use of messages based on agreed electronic financial information exchange standards

2.2 Scope

The scope covers all electronic information exchange standards within the financial domain and within the mission and objectives of UN/CEFACT. For some areas TBG 5 will actively work on standards while in some others it will only be the interface between other bodies and UN/CEFACT.

¹ UN/CEFACT/TBG/N001 TBG Mandate, Section 1.1 Purpose

3. Business Plan

The Business Plan of TBG 5 Finance include:

- e) the analysis and modelling of the business processes relevant to the objectives of TBG 5 Finance
- f) the identification and definition of information requirements within those business processes
- g) the creation of guidelines/handbooks for electronic information exchange messages in appropriate syntaxes
- h) recommendations on the most suitable implementation of electronic information exchange standards, e.g. UN/EDIFACT and ebXML, including security recommendations
- i) the harmonisation of the implementation of financial UN/EDIFACT and ebXML
- j) the maintenance and support of the implementation of financial UN/EDIFACT and ebXML
- k) presentation of requests to update relevant existent standards, by revising already existing guidelines or by proposing new developments, in order to support current and future financial business requirements

Further more, TBG 5 will:

- a) actively promote the use of electronic information exchange standards
- b) assist other groups in understanding the business and technical requirements for electronic information exchange standards, UN/EDIFACT and ebXML
- c) offer other ad-hoc assistance in the harmonised global implementation of electronic information exchange standards

4. Activities

TBG 5 Finance shall ensure the timely delivery of electronic information exchange standards and recommendations that fulfil user requirements. This will be done through the TBG 5 Finance work plan.

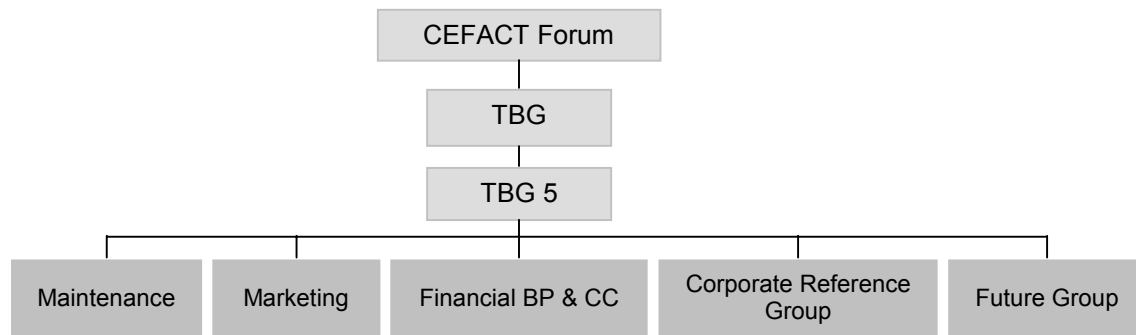

5. Success Criteria

A global use of electronic information exchange standards and recommendations, delivered and promoted by TBG 5.

6. Organisation

TBG 5 shall comply with its operating procedures.

7. Team structure
